Volume 4, Issue 1
Fall Quarter 2016

WELCOME NEW STUDENTS!

We're pleased to welcome this year's new Freshmen and Transfer Students to the **UCSD Psychology Department!** Whether it's your first quarter here or your last year, you will find a host of resources to assist you with your career as a UCSD student. We have planned a year full of opportunities designed to broaden your educational experience and help you prepare for your future, and we look forward to sharing our knowledge with you. For more information about our majors, classes, and opportunities to get involved, visit our newly renovated [website!](#)

Our department is one of the best in the country for psychology research. The U.S. News & World Report 2013 America's Best Colleges guidebook **rank**s UC San Diego as the 9th best public university in the nation with our Behavioral Neuroscience Graduate research area ranked #1 in the country, and our Cognitive Psychology Graduate research area ranked #3.

Please don't hesitate to ask questions and look for answers; we look forward to helping you!

FALL ADVISING WORKSHOPS

The Psychology Advising Office is working hard to bring you information you can use. Every quarter during the 2016-17 school year, we'll schedule workshops answering some of your biggest questions and preparing you for your future during college and beyond. Join us at one or all of our sessions, bring your relevant questions, and learn about exciting opportunities!

ACTIVE MINDS @ UCSD

Active Minds is a non-profit, student-run mental health awareness, education and advocacy organization seeking to promote awareness about and alleviate the stigma associated with mental health issues. Their mission is to provide resources and education to people regarding mental health and to advocate for mental health causes through partnership and action. They are affiliated with the national [Active Minds](#) organization headquartered in Washington, DC. Join Active Minds@UCSD by emailing activeminds@ucsd.edu or going to their [Facebook page](#).

PSI CHI: PSYCHOLOGY HONOR SOCIETY

[Psi Chi \(ΨΧ\)](#) is the International Honor Society in Psychology, founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology. With over 1,050 chapters, Psi Chi is one of the largest honor societies in the United States. Membership is an earned honor which is for life. It may be used for reference purposes for graduate school and job applications. Members have the opportunity to present research at scientific meetings and participate in competitions.

Psi Chi is a part of the Association of College Honor Societies and is an affiliate of the American Psychological Association (APA) and the Association for Psychological Science (APS).

Psi Chi meetings are Thursdays at 6:30 pm in McGill 1350. The first General Body Meeting will be September 29. Visit the [UCSD Psi Chi website](#) for more details!

SONA: EXPERIMENTAL SUBJECT PARTICIPATION

Participants in [SONA](#) have the opportunity to make an important contribution to the research community in our department and/or the UCSD campus at large. Students enrolled in various Psychology, Cognitive Science, and Linguistics courses have the opportunity to serve as experimental subjects.

As a participant your time is as valuable as the researcher's. All participants are expected to behave in a professional manner, show up on time and provide notice to researchers if you need to cancel your appointment. You can expect all researchers and PI's to respect your time, describe the research you are contributing to and award your credit within 24 hours.

VERY IMPORTANT: Once you have accumulated **TWO** unexcused no-shows during one quarter, you will be limited in the studies available to you through SONA. Your account may remain active, but no studies will appear to be available. If this happens to you, you will need to ask your instructor if you have any other research participation options at that point. Instructors are not required to accommodate your request once two unexcused no-shows have been accumulated. For more information on SONA please check out the [SONA page](#) on UCSD's Psychology Department website.

MINDFULNESS WORKSHOPS

This weekly drop-in workshop, run by [CAPS](#), focuses on seven mindfulness practices to help you have more wellbeing and contentment in your life and less stress and anxiety. Each week will focus on a different mindfulness practice. Wear comfortable clothes!

Wednesdays from 3:00-4:30 pm at Murray's Place inside the Student Health Center.
